INVITATION LETTER

February 24th, 2022

Professor Dolores Fernandez Ortunno

**Dpto. de Microbiología, Facultad de Ciencias, Universidad de Málaga, Campus de Teatinos s/n,
29071-Málaga (Spain)**

Dear Prof. Dolores Fernandez Ortunno,

On behalf of the organizing committee of the 8th International Conference on Agricultural and Biological Sciences (ABS 2022), we cordially invite you to participate in the conference and deliver an online oral presentation on '**Monitoring Methyl Benzimidazole Carbamate-Resistant Isolates of the Cucurbit Powdery Mildew Pathogen, *Podosphaera xanthii*, Using Loop-Mediated Isothermal Amplification (ABS 3997)**'.

The main objective of ABS 2022 is to provide a comprehensive global forum for experts and participants from academia to exchange ideas and present results on ongoing research in the most state-of-the-art areas of Agricultural Sciences and Biological Science etc. and their research methods and techniques. The conference program consists of plenary and invited speeches, oral and poster presentations. Considering the current COVID-19 Situation, a hybrid mode of online and onsite presentations will be conducted for ABS 2022. For participants who are not able to join physically, online presentations via Microsoft TEAMS will be available and welcomed.

Please kindly convey your acceptance and we have every reason to believe that your participation would make the conference more successful.

This letter does not include constitute an offer to the financial costs of travel and lodging fee etc. Look forward to meeting you at ABS 2022.
